Please review this confirmation carefully and contact us at (212) 966-6400 if there are any discrepancies. Due to the zero tolerance traffic control pressure in Manhattan and increased security at all airports, it is required that the client contact our office if they do not see their driver. All our drivers have cell phones and pagers and can be reached immediately. Thank you for your consideration and understanding. When cancelling a reservation, please be sure to get a cancellation number.

Please be advised that failure to contact our office will result in a "No Show" charge.
